# TECHNOLOGY CHALLENGES – SWEDISH PERSPECTIVE

**DAN PAULIN**

**CHALMERS UNIVERSITY OF TECHNOLOGY, GOTHENBURG, SWEDEN**

# CHALLENGES

**Digital natives and digital immigrants**

**Different world views? Students – Teachers**

**Access to computers – Access is everywhere/anytime and student expect to have everything available online**

**Internet access – Impatience increase**

**Internet speed - Live streaming / films are consumed**

**Changing the educational landscape – Competition changes**
